JERR-DAN EXHIBITS FULL LINE OF INNOVATIVE TOWING & RECOVERY EQUIPMENT AT 2018 FLORIDA TOW SHOW

Wreckers, Carriers & Rotators will feature latest innovations

Hagerstown, MD (April 3, 2018) – Jerr-Dan Corporation, an Oshkosh Corporation Company (NYSE:OSK) and a single brand leader in the towing and recovery business, will exhibit its full line of carriers, wreckers and rotators at the 2018 Florida Tow Show taking place April 5-8 in Orlando, Florida. Engineered to exceed, Jerr-Dan's equipment offers the latest in innovation while affording solutions to the towing and recovery industry.

Among the products that will be on display in booth #823 are wreckers and carriers known for their smart design, performance and durability. These include:

- Heavy-Duty JFB wreckers Jerr-Dan Fire Body (JFB) Series - 25 Ton, 35 Ton and 50 Ton.
- Standard-Duty Wreckers - MLP40 and HPL60 featuring a large variety of towing and recovery factory attachments and accessories.
- Carriers 22'x102" XLP Steel Shark, featuring Sliding Winch with a stationary headboard, a 8.5T 24' x 102" XLP Steel, with the Side Recovery System (SRS), and the 30' 4 Car Aluminum featuring a customized chassis, a factory custom paint job, 5K wheel lift and wheel chocks.
- Two JFB rotators - 5 Axle 255-5TS and 4 Axle 267-4SS. The Jerr-Dan JFB Gold Series rotators have a combination of heavy-duty capabilities, superior stabilizing technology, 360-degree continuous rotation and unsurpassed winching capacity.

"Our presence at the Florida Tow Show affords us the opportunity to showcase our products featuring the latest innovative solutions to the growing demands of the towing and recovery industry," said Thomas "Phil" Chaires, Senior Chief Engineering Manager at Jerr-Dan. "We design our products by listening to the voice of the customer, applying new technology and standard processes to consistently meet or exceed owner/operator expectations. Our equipment is engineered for the long haul, delivering exceptional performance, durability and reliability for years to come. Our testing and validation of new products, prior to the start of production, enables

us to dependably deliver the valued performance our customers have come to expect and appreciate.”

Additional characteristics of Jerr-Dan’s products are their superior warranty, reliability and performance factors. Jerr-Dan equipment is reliable while undertaking the toughest challenges operators face in their daily towing and recovery operations.

Jerr-Dan opens the Florida Tow Show on Thursday evening hosting the kick-off party at 7:00 p.m. at the Jerr-Dan booth with product demonstrations, food and beverages. In addition, Jerr-Dan’s Heavy-Duty Senior Sales Manager, Shane Coleman, along with other Jerr-Dan product experts, will be offering product presentations and demonstrations on Friday and Saturday at the Jerr-Dan booth.

“Once again, we are excited to exhibit our full line of innovative products and equipment at one of the most anticipated shows of the year,” said Jeff Irr, Senior Director of Sales and Marketing for Jerr-Dan. “Our presence at this show allows us the opportunity to connect with our customers (distributors) and show them why we are the single brand leader in the towing and recovery industry.”

From a small company to a nationwide established manufacturer of carriers, wreckers, rotators, Jerr-Dan is proud of its industry legacy: more than four decades of product innovation, quality, value and customer service. For more information on Jerr-Dan products visit the website at www.jerrdan.com.

The 2018 Florida Tow Show is organized by the Professional Wrecker Operators of Florida (PWOFF) located in Orlando, Florida. The organization was incorporated in 1977 and has operated since that time as an association of towing business people seeking to constantly upgrade the conditions and profitability along with the image of the towing industry.
