JERR-DAN SALUTES WORLDWIDE EQUIPMENT ON THE 10th ANNIVERSARY OF "TOW TRUCKS FOR TOTS"

Towing industry non-profit raises toys for children during the holiday season

Hagerstown, MD (November 6, 2017) – Jerr-Dan Corporation, an Oshkosh Corporation Company (NYSE:OSK) and a single brand leader in the towing and recovery business, congratulates its longstanding Jerr-Dan distributor Pat Winer, president of Worldwide Equipment Sales, for the tenth year anniversary of his non-profit "Tow Trucks for Tots." Winer, who serves as the director of the non-profit, continues the giving tradition this holiday season with its annual toy drive scheduled to take place on November 12 at Hollywood Casino located at 777 Hollywood Blvd. in Joliet, IL.

"We are very proud of Pat's commitment to helping those in need beyond the towing and recovery industry," said Jeff Irr, Senior Director of Sales for Jerr-Dan. "We are honored to have a long-lasting business relationship with a distributor whose charitable and business contributions have made a profound difference in the communities they serve."

"Tow Trucks for Tots," is made up of Worldwide employees, the towing community and its suppliers and volunteers, who collect new, unwrapped toys for children during the holiday season. In addition, Worldwide Equipment Sales, LLC's "Tow Trucks for Tots" currently holds the Guinness Book of World Records for the largest tow truck parade that is held as part of this toy drive.

Because of his business contributions to the towing industry and founder of the non-profit "Tow Trucks for Tots," Pat Winer was one of five outstanding industry leaders who was recently inducted into the International Towing & Recovery Hall of Fame, Class of 2017. The museum's Hall of Fame honors individuals in the towing and recovery

industry who have made significant advancements and notable achievements in the field.

“Known as one of the industry’s most prestigious honors, we congratulate Pat for this recognition. In addition to his business contributions to the towing and recovery industry, he’s been a supporter of those in need in our communities pioneering his ‘Tow Trucks for Tots’ community initiative,” said Mike VanAken, Director for Jerr-Dan Aftermarket Support. “The Tow Trucks for Tots collects toys for children during the holiday season to benefit the community’s children.”

Worldwide Equipment Sales, LLC offers award winning service and support from its highly-trained staff of experienced towing industry specialists. Featuring “Best in Class®” Jerr-Dan towing equipment Worldwide Equipment Sales offers the highest quality, custom built self-loader wreckers and flatbed car carriers in the industry. Worldwide Equipment Sales also offers specialized recovery solutions such as Side Recovery System for both tow trucks and flatbed carriers to fulfill the needs of demanding operators. With four locations in the U.S., Worldwide serves the entire United States with new and used tow trucks, equipment hauling and vehicle transport trailers. Worldwide has been a Jerr-Dan distributor since May 14th, 2003.

Forward-Looking Statements

This press release contains statements that the Company believes to be “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact, including, without limitation, statements regarding the Company’s future financial position, business strategy, targets, projected sales, costs, earnings, capital expenditures, debt levels and cash flows, and plans and objectives of management for future operations, are forward-looking statements. When used in this press release, words such as “may,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe,” “should,” “project” or “plan” or the negative thereof or variations thereon or similar terminology are generally intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, assumptions and other factors, some of which are beyond the Company’s control, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements.
