Jerr-Dan Parent Company, Oshkosh Corporation, Earns Top Honors

*Recognized for ethical business practices, sustainability initiatives and
technology advancements*

Hagerstown, MD (May 12, 2021) — Jerr-Dan, an Oshkosh Corporation company [NYSE:OSK], is pleased to announce that parent company Oshkosh Corporation has recently received several prestigious industry awards for the Company's ongoing ethical business practices, sustainability efforts and use of emerging and advancing digital technologies.

Committed to creating a more sustainable future, Oshkosh was named one of *Barron's* "100 Most Sustainable Companies" and has been included in the S&P Global Sustainability Yearbook 2021, both for the fourth consecutive year. Steadfast in sustainability initiatives, Oshkosh Corporation has pledged to reduce greenhouse gas emissions and energy consumption and continues to make investments in technology including the development of battery-powered products.

The Company was also a recipient of the IDG CIO 100 Award for information technology excellence. Oshkosh Corporation's Digital Technology team is powered by team members around the world, all focused on solving business challenges. This is the third consecutive year that Oshkosh Corporation has received this award. The Company also received the IDG FutureEdge 50 Award for its innovative use of emerging technology. This is the first time that Oshkosh Corporation has received this global award.

In addition to these awards, Oshkosh Corporation has also been named one of the World's Most Ethical Companies by Ethisphere, one of FORTUNE's World's Most Admired Companies, one of America's Most Responsible Companies by *Newsweek*, as well as one of America's Top 250 Best-Managed Companies by the *Wall Street Journal*.

“Earning top honors from so many different organizations is testimony to the collective drive towards excellence by all Oshkosh Corporation global team members who remain focused on sustainable operations, empowering others and developing innovative solutions that drive the business forward,” said Frank Nerenhausen, Oshkosh Corporation executive vice president and president of the company’s Access Segment, which includes two industry leading brands: JLG® aerial lifts and material handling equipment including boom lifts, scissor lifts, low-level access lifts, vertical access lifts, stock and order picker lifts, towable lifts and telehandlers and Jerr-Dan® towing and recovery equipment including carriers, wreckers and rotators.

Forward Looking Statements

This news release contains statements that the Company believes to be “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact, including, without limitation, statements regarding the Company’s future financial position, business strategy, targets, projected sales, costs, earnings, capital expenditures, debt levels and cash flows, and plans and objectives of management for future operations, are forward-looking statements. When used in this news release, words such as “may,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe,” “should,” “project” or “plan” or the negative thereof or variations thereon or similar terminology are generally intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, assumptions and other factors, some of which are beyond the Company’s control, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These factors include the overall impact of the COVID-19 pandemic on the Company’s business, results of operations and financial condition; the duration and severity of the COVID-19 pandemic; actions that may be taken by governmental authorities and others to address or otherwise mitigate the impact of the COVID-19 pandemic; the negative impacts of the COVID-19 pandemic on global economies and the Company’s customers, suppliers and employees; and the cyclical nature of the Company’s Access Equipment, Commercial and Fire & Emergency markets, which are particularly impacted by the strength of U.S. and European economies and construction seasons.
