### TEC Equipment Expands Representation of Jerr-Dan into Nevada

**HAGERSTOWN, Md.—Sept. 29, 2021** — Jerr-Dan, an Oshkosh Corporation company (NYSE: OSK), has announced that TEC Equipment, of Portland, Oregon, has expanded their support of Jerr-Dan towing and recovery products into the state of Nevada. TEC Equipment is a truck and trailer dealership with 28 locations in the western U.S. and now represents Jerr-Dan in Nevada from their North Las Vegas and Sparks stores.

Since March of this year, TEC has represented Jerr-Dan from four locations in Northern California. Therefore, the expansion of their Jerr-Dan service footprint into Nevada is a significant increase in their commitment to the brand.

“We appreciate the confidence that our partners at TEC Equipment have demonstrated in Jerr-Dan by their investment in our mutual success at their two Nevada dealerships,” said Hal Wyatt, director of aftermarket support for Jerr-Dan. “Expanding our partnership with TEC naturally fits the needs of our customer base in the area they serve, and it is good to know that we can depend on TEC to provide our customers with the same industry-leading expertise and service they are already known for.”

Jerr-Dan continues to place an emphasis on distributor network growth to provide customers with a high level of support and today has over 60 locations throughout North America and 15 internationally. To learn more about Jerr-Dan distributors and products, visit [www.jerrdan.com](http://www.jerrdan.com).

## Forward Looking Statements

This news release contains statements that the Company believes to be “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact, including, without limitation, statements regarding the Company's future financial position, business strategy, targets, projected sales, costs, earnings, capital expenditures, debt levels and cash flows, and plans and objectives of management for future operations, are forward-looking statements. When used in this news release, words such as “may,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe,” “should,” “project” or “plan” or the negative thereof or variations thereon or similar terminology are generally intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, assumptions and other factors, some of which are beyond the Company's control, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These factors include the overall impact of the COVID-19 pandemic on the Company's business, results of operations and financial condition; the duration and severity of the COVID-19 pandemic; actions that may be taken by governmental authorities and others to address or otherwise mitigate the impact of the COVID-19 pandemic; the negative impacts of the COVID-19 pandemic on global economies and the Company's customers, suppliers and employees; and the cyclical nature of the Company's Access Equipment, Commercial and Fire & Emergency markets, which are particularly impacted by the strength of U.S. and European economies and construction seasons.
